

THE ST. PAUL THE APOSTLE STEWARDSHIP COVENANT SCHOLARSHIPS
For St. Paul the Apostle Religious Education, St. Paul the Apostle School and
Assumption High School

These scholarships are for those parishioners of St. Paul the Apostle Parish, Davenport, who have tried to take seriously the Stewardship Covenant which they have signed with the parish. These scholarships are given in recognition that a family has achieved living a Stewardship Way of Life and has recognized that God has been a generous God and so they return to Him a share of their Time and Talent and Treasure. God has to be number one in our lives and the Sunday Mass has to be the center of our family life. Sharing our time, our talent and our treasure with the Lord naturally follows from this.

Those who have already reached giving 2% of their income (line 22 of Form 1040) to the parish as reflected on the Parish Statement which is issued in January, are eligible to apply for this scholarship. If there is financial need, they should apply for the “Embracing Our Future Family Tuition Plan” first.

If one would be willing to move their giving to the 5% level starting in July and proportioned to our three-way giving plan (5/8 to church, 2/8 to educational ministries and 1/8 to Annual Diocesan Appeal), there would be no tuition for St. Paul the Apostle Religious Education, one-half tuition at St. Paul the Apostle School and one-fourth tuition at Assumption High School. If one would receive a sizable grant from the “Embracing Our Future Family Tuition Plan”, then there would be no tuition at any of our educational ministries including Assumption High School.

If one would be willing to move their giving to the 8% level starting in July and proportioned to our three-way giving plan (5% of income to Church, 2% of income to Educational Ministries and 1% to the Annual Diocesan Appeal), there would be no tuition at any of our educational ministries including Assumption High School.

Currently close to 120 of our SPS and AHS students are being helped with this scholarship. Since this Scholarship implies a commitment and Stewardship Way of Life, it is important that we get into this new way of life early. There is currently a moratorium for accepting applications for students in Grades 5-12, because it would seem that they have already had the opportunity to enter this program prior to this time. New people to the parish would be eligible to apply with the recommendation of their previous Pastor and the submission of a financial statement from their previous parish. The deadline for application would be May 1st.
